

CHC43015 CERTIFICATE IV AGEING SUPPORT

Our state of the art programme incorporates additional training to make you stand out in the workforce.

Certificate IV Ageing Support is a nationally recognised qualification designed for those working, or intending to work, in the aged care or community sector.

This qualification reflects the role of support workers who complete specialised tasks and functions in aged services; either in residential, home or community based environments.

Workers may be required to demonstrate leadership and have limited responsibility for the organisation and the quantity and quality of outputs of others within limited parameters.

This course is ideal for workers who wish to enhance their supervisory skills and take up added responsibilities as part of their career progression within an organisation.

To achieve this qualification, the candidate must have completed at least 120 hours of work placement.

Course details:
