

CHC52015 DIPLOMA OF COMMUNITY SERVICES

Course details:

This qualification reflects the roles of community services, case management and social housing workers involved in the managing, co-ordinating and/or delivering of person-centred services to individuals, groups and communities.

At this level, workers have specialised skills in community services and work autonomously under broad directions from senior management. Workers are usually providing direct support to individuals or groups of individuals. Workers may also have responsibility for the supervision of other workers and volunteers and/or case management; program coordination or the development of new business opportunities.

To achieve this qualification, the candidate must have completed at least 100 hours of work placement. Key 2 Learning College guarantees the work placement for all our students.

Graduating students have the option to pursue further studies for an Advanced Diploma of Community Services or undertake a Bachelor of Social Works with CSU with one year credit as part of Key 2 Learning College articulation pathway program.
